Hazard : This recall is a result of some reports of affected bicycles developing fatigue cracks where the axle meets the fork leg. Fatigue cracks grow with use and can result in a broken axle. There is a risk that the axle may separate from the fork leg, with risk of an accident or injury.

Please do not ride your bicycle until the fork is inspected or replaced. Bicycles subject to recall can be confirmed by looking at the date code on the bottom of the fork leg. See above.

Remedy: **If your bicycle is subject to recall, please stop riding and bring your bicycle to your nearest Cannondale Dealer for inspection and fork replacement.**

If you have any questions, please call **203-845-8498** and select “1” for consumer support between 9 am - 6 pm EST Monday through Friday. Email: recall@cannondale.zendesk.com

This recall is being conducted in cooperation with the U.S. Consumer Product Safety Commission.
