

IMPORTANT RECALL NOTICE

2013 CANNONDALE SLICE RS BICYCLE

June 2013

Dear Cannondale Customer,

In cooperation with the U.S. Consumer Product Safety Commission, Cycling Sports Group, Inc. is conducting an important safety recall. The following bicycle(s) built with a 2013 model year Cannondale Slice RS frame are subject to recall:

| Model Code | Model Name | Retail Price |
|-------------------------|-------------------------|--------------|
| C13RMSOD | Slice RS, Black Edition | \$11,000.00 |
| C13RMSID | Slice RS, Ultegra Di2 | \$7200.00 |
| C13RMS3D | Slice RS, Ultegra | \$5500.00 |
| 2013 Slice RS framesets | | \$4499.99 |

What is the Problem?

The problem is an improper bond between the brake mounting plates and the mounting areas on the rear of the fork and the underside of the chainstays that must be repaired or replaced before use. This connection may be loose, become loose, or separate, with risk of an serious accident or injury. It must be corrected by the Cannondale factory before you ride it.

Action You Should Take

- Stop riding your bike immediately.
- Bring your bicycle to a Cannondale Dealer. At no cost to you, your Dealer will disassemble and ship your bike to the Cannondale factory. When it is returned your bike will be reassembled and returned to you.
- We will compensate customers by giving them a Cannondale Classic Jersey and a Teramo helmet.

We sincerely apologize for the inconvenience and thank you for your cooperation in this important safety program. Please visit your Authorized Cannondale Dealer for assistance.
